## Dear Patron:

Thank you for taking the time to consider helping us with our pursuit to expand the reach of Ballet Etude (BE). We strive to entertain our community with affordable performances that are suited for spectators of all ages.

Ballet Etude offers Rexburg and the surrounding communities in Eastern Idaho an opportunity to participate in or attend our productions that include beautiful costumes, set pieces, and exquisite dancers - which are sure to delight audiences and inspire dancers of all ages.

**How can Ballet Etude help the community?** At Ballet Etude, our mission is to elevate the art of ballet in Rexburg by fostering a community dedicated to excellence in training and performance. We are committed to enhancing the ballet experience, both for students and performers, by providing exceptional instruction and creating diverse and enriching performance opportunities. (We do 5 performances per year!) In addition to cultivating individual growth, we are dedicated to expanding the accessibility of ballet within our community.

**How can you attract more customers?** As a sponsor, your contribution will be acknowledged in our performance program. We will also announce major sponsors before each show, thanking them for their support in the staging of our production. Your support will also be listed on our posters and flyers. These are a few ways that we can offer advertising for your business.

We are asking you to consider becoming a sponsor for Ballet Etude's productions so that the community can benefit from culturally enriching experiences. Your generous contributions would go toward paying for our rehearsal space and performance venue, costumes, set pieces, and more. We greatly appreciate anything you can do to help!

We hope we can improve your new year with increased activity in your business and leave you with a feeling of pride in helping our organization. As a 501c3 Non-Profit organization, all monetary donations are tax deductible.

Please complete the attached sponsorship form and have a print-ready ad available.

Sincerely,

*Madissen Fujimoto*
